

# UAB KURE

**Kidney, Urology, and Non-Malignant Undergraduate Research Experience**

**UAB KURE is an NIH-funded Summer Research Program that gives students the opportunity to learn about advances in kidney, urology, and non-malignant hematology (KUH) research and be mentored in their own research projects in a lab by the University of Alabama at Birmingham's renowned KUH community of investigators.**

## OPPORTUNITIES:

- Networking opportunities with near peers and professionals
- Transplant and Clinical observations
- Oral presentation of your research at KURE Symposium
- Poster presentations at UAB Research Expo as well as the KUH NIH Conference
- Housing and \$3500 stipend included

## DATES & DEADLINES:

- Virtual Program: May 13, 2024 – May 31, 2024
- Campus Program: June 3, 2024 – July 28, 2024
- NIH Conference: Early August 2024

If you are interested in this program, please contact:
